EXPERIENCE

Design Engineer

Triple Infotech, pvt Ltd, Rajajinagar, Bangalore- 560044.

March 2024 –February 2025

As a Design Engineer at Triple Infotech pvt Ltd, I was responsible in creating drawings for projects in architechture, mechanical, electrical, civil and structural designs by the use of CADD to replace manual drafting efficiency. We by team developed innovative design solutions met timing, product cost and reliability targets successfully. I am well expert in Catia, Geomagic Design and Gom Inspection.
