MS Office

Profile

Want to work with a company that appreciates innovation so that I can enhance my knowledge and skills to give my best for the growth of the company as well.

Courses

Fundamentals of Additive Manufacturing Technologies, NPTEL – IIT Guwahati

JULY 2021 – NOVEMBER 2021

[Secured 2nd Rank](#)

Rapid Manufacturing, NPTEL – IIT Kanpur

JULY 2021 – NOVEMBER 2021

[Secured 1st Rank](#)

Graduate Apprenticeship

Gujarat Water Supply and Sewerage Board, Gandhinagar

Public Health Mechanical Division, Bhuj-Kutch

FEBRUARY 2020 – FEBRUARY 2021

I learned the estimation of various types of borewell and design methodology of pumping station and hydraulic design system.

Apart from that, I have some exposure to e-tendering and contracts.

Internship and Final Year Project

Coastal Gujarat Power Ltd. - A TATA Power Co., Mundra-Kutch

Completed my final year project on 'Design and analysis of heat exchanger for cooling water outflow channel'

During internship I learned how a Rankine cycle is actually applied in practical means and how a coal-based thermal power plant practically works. MAY 2018 – JUNE 2018

Education

Bachelors of Engineering (Mech.), Gujarat Technological University, Ahmedabad

HJD Institute of Technical Education and Research, Kutch

AUGUST 2015 – JUNE 2019

[8.87 CGPA](#)

XI-XII, Gujarat Secondary and Higher Secondary Education Board, Gandhinagar

Seth Veerji Devshi High School, Kutch

MAY 2013 – MARCH 2015

[63.08%](#)

X, Gujarat Secondary and Higher Secondary Education Board, Gandhinagar

Seth Veerji Devshi High School, Kutch

MAY 2013 – MARCH 2015

[72.67%](#)
